Alison Levorson (left), representing City of Vernon employees, presented a cheque for \$2511 to Sue Beaudry (right), Director of Development for Vernon Jubilee Hospital Foundation on December 23, 2011.

The \$2511 was raised by City of Vernon employees through their donations to have the privilege of dressing casual on Fridays.

City of Vernon employees voted to support The Tower of Care. Employees support causes that benefit local residents. In previous years, employees have supported BC Children's Hospital (2010), Vernon SPCA (2009), Canadian Cancer Society (2008), Vernon and District Hospice Society (2007), Vernon Jubilee Hospital Foundation (2006) and a local family (2005).

The 2011 Casual for a Cause fund raising efforts were directed towards the Building a Tower of Care Campaign goal of raising 7 million dollars to equip the new Polson Tower at Vernon Jubilee Hospital. Money from this campaign supports equipment purchases for Emergency, Ambulatory Care, Surgical Care, ICU & Cardiac Care & Women's & Children's Health Services.
