

Okanagan Lake Access Study

Overview of Individual Rights of Way

Site 36 – Located between 9579 and 9600 Eastside Road

Good site to be developed for community access, few constraints to its development

Priority: 10

Overview of Site:

- This is a steep, rocky site; the lot has a shallow depth but it represents over 150 metres of waterfront.
- There are good views from the road.
- Development of this site will have minimal impact on adjacent neighbours.

Recommended Actions:

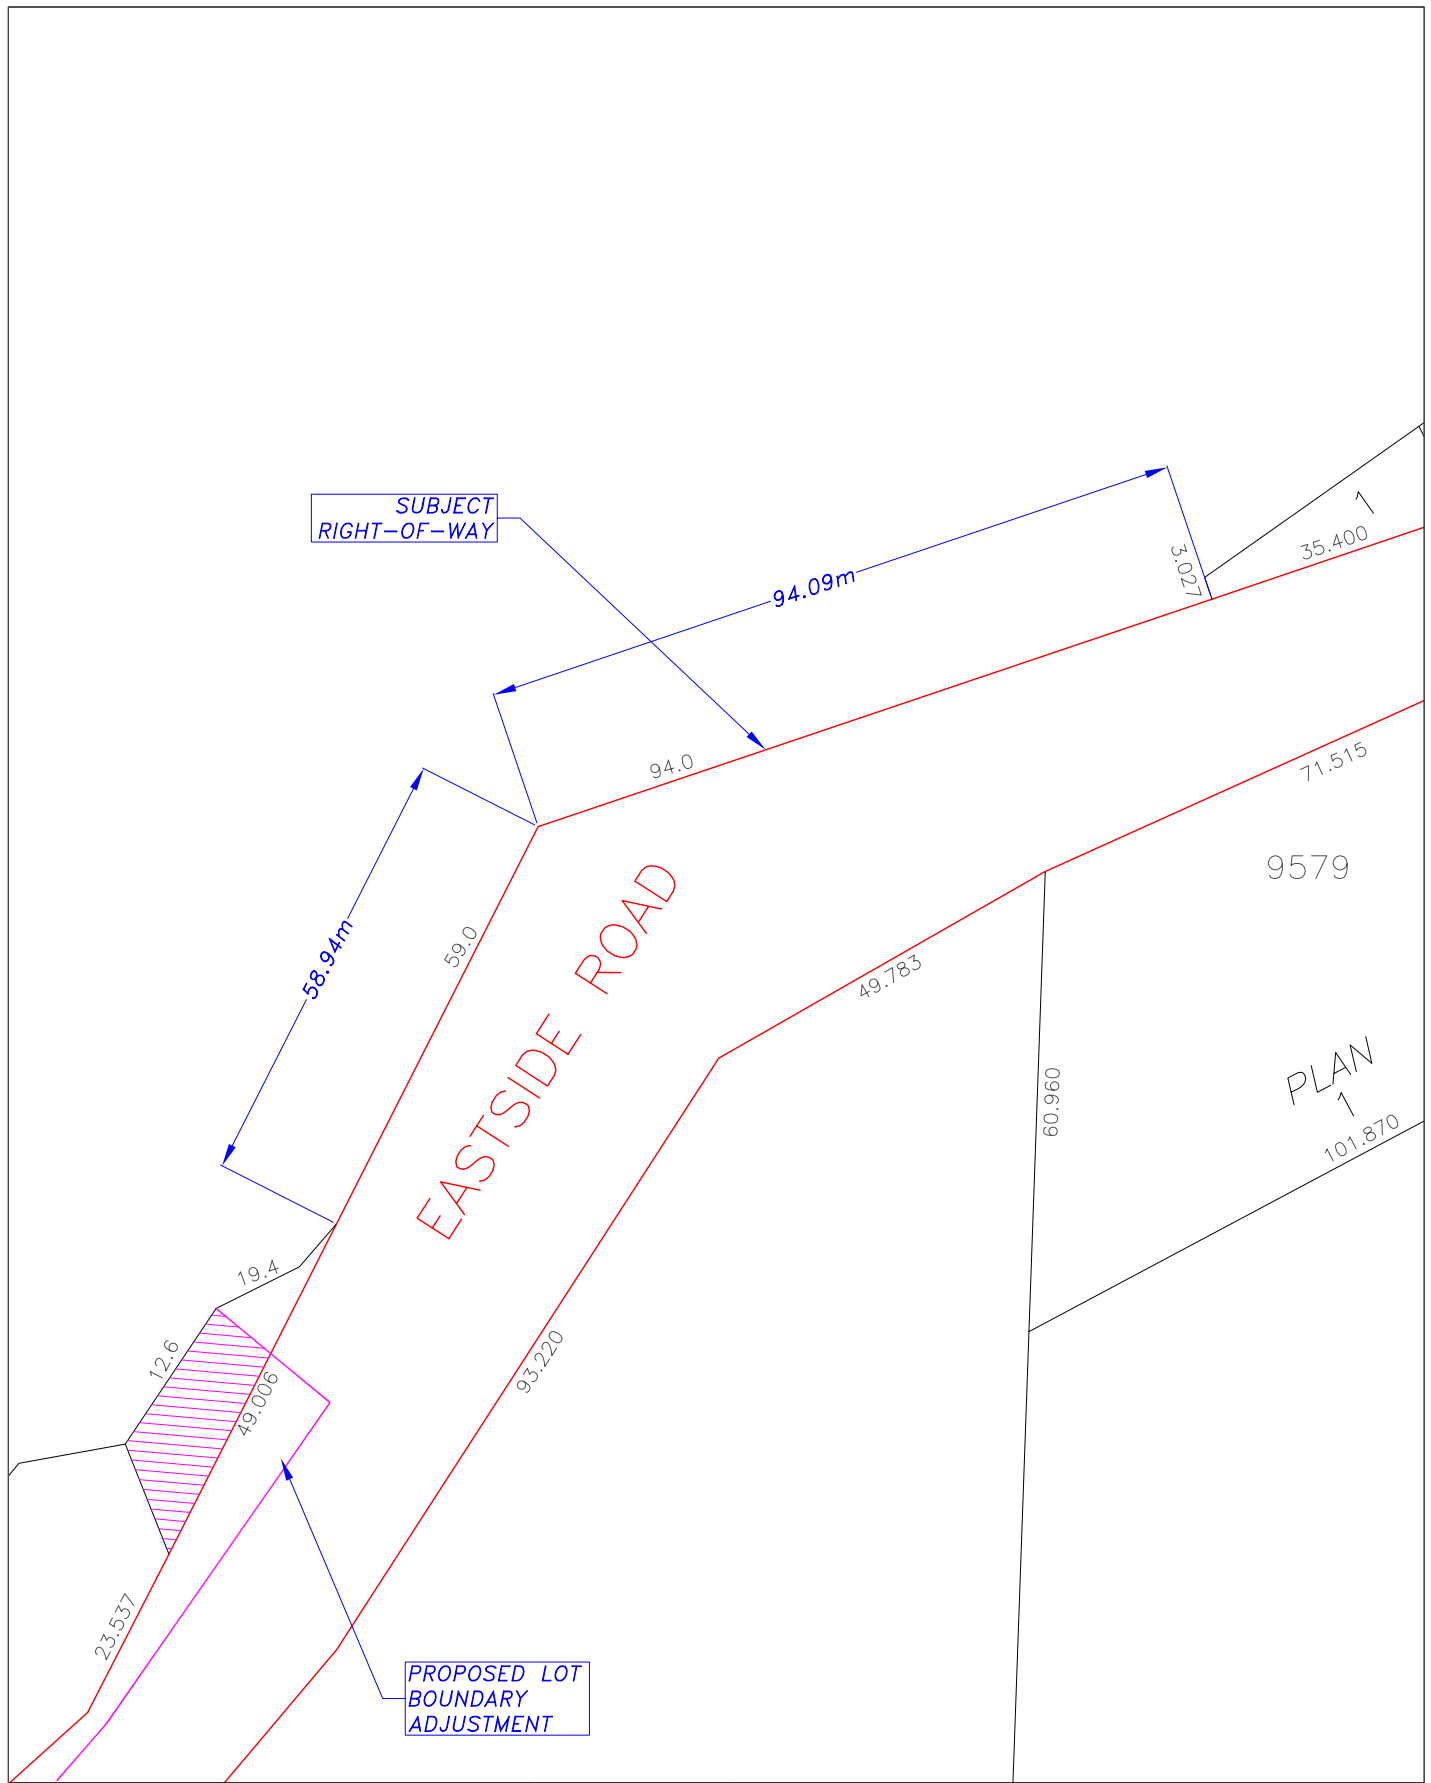

- Construct parking at the roadside, and a gravel walking path to the beach.
- construct an area for picnic tables, benches at the beach

Estimated Budget:

- The estimated cost of the works identified is \$ 24,360.
