Kidnastics 3-5 yrs 11:30-12:30pm \$40	A,B,C Gym 3-5 yrs 12:15-1:45pm \$40	

PLAY - ABC Gym 3-5 yrs

While participating in gym activities, your child will be introduced to numbers, letters, colors, shapes, stories and much, much more. A great introduction to prepare children for preschool.

PLAY - Creative Gym 12mo-4 yrs

Parent participation program for you and your child involving gym activities, songs, simple games, pasting, painting, table toys, playdough and much, much more.

PLAY - Putter Splash 3-6 yrs

A fun filled program with gym activities, games, songs, pasting, painting and stories all finished off with a 30 minute swim session with a certified instructor in the pool.

PLAY - Kidnastics 18 mo-5 yrs

Learn the basic skills of gymnastics, tumbling and creative movement in a fun, non-competitive environment. Each session progresses to offer more challenge to your growing gymnast!

PLAY - Wiggle & Giggle 6-18 mo

For 6-18 month tots and their parents. A fun program that lets you and your little one meet new friends, play games and enjoy free-play gym activities. Perfect for new parents!

PLAY - Zone 1-5 yrs

Do the kids have extra energy to burn? Enjoy some semi-structured open gym time. Perfect for family play time.

SUMMER REGISTRATION DATES

Vernon, Coldstream and Area B and C residents - Sun, Apr 30 | 8am

All Areas - Fri, May 5 | 8am

Environmental Conditions and Camps Smoke and Heat

Summer in the Okanagan is the best! Our camps strive to get our kids outdoors and enjoying what our great region has to offer.

With the increase of wildfire activity in our region and the resulting smoke, we will be following the Air Quality Index. It provides a range of recommended activity levels based on the current air quality. Based on these recommendations, there may be times where we make changes to the camp locations and activities.

We will also adjust camp locations and activities for high heat days based on local health and safety recommendations.

CAMP CLUBHOUSE

Sun, Sand & Water 7-12 yrs

This exciting camp will take advantage of the surroundings to learn new things, swim, play and have a ton of fun! Experience sand castle erosion, play games and crafts! Climbing at the Rock Garden included.

AQUATICS

Swim for Life Program Structure

Beat the Heat Pool Pass

We have big savings this summer!
 Save over 50% on Youth and Child pool passes.

Valid from Jul 2-Aug 27, 2023
 Youth Pass: \$62.85 (13-18yrs)
 Child Pass: \$54 (7-12yrs)

Visit www.gvrec.ca for swim lesson dates and times.

Advanced Aquatics

Bronze Medallion 13+ yrs

Prerequisite: 13 years or Bronze Star

Bronze Medallion teaches an understanding of the lifesaving principles embodied in the four components of water rescue education, judgement, knowledge, skill and fitness. Lifesavers develop stroke efficiency and endurance in a timed swim.

Jul 4-13 Tue-Thu 3:30-7:30pm \$179.26

Bronze Cross 13+ yrs

Prerequisite: Bronze Medallion

Bronze Cross award is designed for lifesavers who want the challenge of more advanced training, including an introduction to safety supervision. Bronze Cross is a prerequisite for all advanced training programs, including National Lifeguard® (NL) and Instructor certifications.

Jul 18-27 Tue-Thu 3:30-7:30pm \$179.26

Standard First Aid 15+ yrs

Lifesaving Society Standard First Aid is the most comprehensive first aid program for the general public and a pre-requisite for National Lifeguard. Certification includes CPR-C/AED.

Aug 8-10 Tue-Thu 2:00-8:00pm \$152.88

National Lifeguard (pool option) 15+ yrs

Prerequisite: Bronze Cross and Standard First Aid

National Lifeguard® (NL) teaches the prevention of emergency situations and, where this fails, the timely and effective resolution of emergencies. NL training teaches the principles and develops the basic lifeguarding skills and decision making processes that will help lifeguards evaluate and adapt to aquatic facilities and emergencies.

Aug 15-25 Tue-Fri 2:00-9:00pm \$431.47

Swimming Instructor 15+ yrs

Prerequisite: Bronze Cross

Swim Instructor prepares you to instruct the Lifesaving Society's Swim for Life programs. Candidates focus on strategies to introduce and develop fitness activities, water smart and swimming skills in a safe and fun matter.

Visit www.gvrec.ca for dates/times/fees.

Safe. Educational. Fun.

Summer 2023

GRADES: 1-3, 4-6 & 7-9

Welcome to Camp OC - Vernon campus

It's never too early to see what college is about. Our educational day camps are small in class size and full of interactive fun and adventure. Campers can engage in areas such as puzzles, challenges, computer programming and coding, science and art. Whatever their interests, we're sure they will find it here.

HOW TO REGISTER:

7000 College Way, Vernon, B.C.

campoc.ca

Grades 1-3

Entering Grades 1-3 in September

Mini LEGO Galore

You can never have too much LEGO® in your life! In this camp we'll build different contraptions and machines, play around with force and motion, and see if we can make our subjects faster, stronger and better. Add a spring, use a different gear, and challenge your fellow campers to a race. Experience cool "aha" moments as you set your bricks in motion.

July 4 - 7 and July 31 - Aug. 4

Mini Mad Scientist

Prepare to get messy! Liquid, solid and gas, matter, motion and mass. This camp is all about scientists gone mad! So throw on your lab coat, head to the laboratory and get ready to embrace your inner scientist. Develop your own hypotheses and make your very own experiments. We will be playing with things that move and making ooey-goopy concoctions all week long!

July 10 - 14

Mini Explore Camp OC

Can't decide what camp you want to do? Why not join us this week, where you get to do a little bit of everything. We have a lot of fun things planned, everything from arts and crafts, sports, science experiments, music, building, testing and exploring. Are you game for a surprise? Then this is the camp for you!

July 17 - 21

Nature is Neat

This camp will cover everything nature related! Guided by the interests of the campers, we will explore how local plants and animals survive and thrive in the Okanagan. The indoor and outdoor activities will allow campers to engage in a variety of hands-on science activities, eco-art projects and shared learning. Bring your sense of adventure to this camp!

July 24-28

Mini Minecraft

Join us and explore the world of STEM using Minecraft™ Education Edition! This week will be full of creative fun, all while playing one of your favourite video games. You will experiment with basic coding concepts, unlock your creativity and work with your fellow campers on game projects and challenges. Come on - let's build something really cool through the power of play.

Aug. 8 - 11

Grades 4-6

Entering Grades 4 - 6 in September

Babysitter Training

Become a confident babysitter this summer! Gain skills from both the Home Safe and Babysitter Training courses. We will cover topics such as first aid, difficult behaviours, leadership and professional conduct for babysitters. Develop practical experience in changing diapers, feeding and dressing children and babies all while keeping you and the child safe. Successful candidates will become a Red Cross-certified babysitter.

July 4 - 7

*Babysitter Training also offered for Grades 7-9

Jr. Minecraft

From computer science to exploring your artistic talents Minecraft™ Education Edition will let you explore endless opportunities to discover, create, build, tell a story, and learn in ways you couldn't imagine. Come join us as we collaborate with fellow campers, solve problems, and create something cool in this digital world. Explore cities, travel the Minecraft™ world, explore basic coding, compete in artistic challenges, the options are limitless this week!

July 10 - 14

Extreme Survivor Challenge

Are you up for a challenge? Do you think you have the brain power to figure out the puzzle? Do you think you can hurdle past your opponents to win? Can you eat the mystery blender drink? Do you have what it takes to be a team player? Come join us for a week of races, puzzles, obstacle courses, and endurance challenges.

July 10-14 and Aug. 8-11

Jr. Art Academy

Do you like hands-on art projects and love seeing your creativity come to life? Well, if art is your thing, then our Art Academy is where you need to be! You will paint, draw, sketch and sculpt all types of media into creative masterpieces that even Van Gogh would have been stunned by. Let your creative mind soar in this artistic exploration.

July 17 - 21

The Wizardly World of Potter

Welcome campers! You have been accepted to Hogwarts School of Witchcraft and Wizardry. Get sorted into your house, join the dueling club, decipher hidden messages, play Quidditch and of course, work towards winning the Hogwarts House Cup! Craft amazing potions that bubble, boil and fizz. Even bring home your own wand that Olivander would be proud of. This week will be full of magic!

July 24 - 28

Jr. Explore Camp OC

Can't decide what camp you want to do? Why not join us this week, where you get to do a little bit of everything. We have a lot of fun things planned, everything from arts and crafts, sports, science experiments, music, building, testing and exploring. Are you game for a surprise? Then this is the camp for you!

July 24 - 28

Star Wars

A long time ago in a galaxy far, far away, there was a camp, with kids who had an active imagination, cool ideas and a passion for Sci-fi. They joined as a force to create the most amazing concepts and astounding creations. Some preferred to deepen their connection with Yoda, some worked on their leadership skills with Luke and some improved their electronic skills by fixing R2-D2. Together they had one goal, to defeat the dark side.

July 31 - Aug. 4

Jr. Jewelry and Craft Creations

Red beads, blue beads, sparkles and bling. Design and create jewelry and crafts you can keep for yourself or give as gifts. Bracelets, necklaces, rings, charms, and so much more! Let your imagination run wild and see what kind of beautiful jewelry and creative crafts you can make from scratch.

Aug. 8 - 11

Jr. Meddling with Metal

Have you ever thought about creating functional and beautiful metal projects? Well, this is your chance! After learning about safety with materials and tools, you will have the opportunity to create a number of small, take-home projects. In the trades shop, while guided by a professional, design, cut, form, assemble, and add final touches to your creations. Be creative, make something original, use your imagination. Explore the fascinating world of trades, while leaving with some original pieces!

Aug. 14 - 18

Grades 7-9

Entering Grades 7- 9 in September

Digital Animation

Calling all artistic techies! Do you have a passion for computers, movies, and art? Ever wanted to explore animation? This is your chance! Join us this week to learn the principles of animation - the creative side and the production process - to create your own animations. Design, manipulate, and create characters, use software to make them come alive and add sound to produce your own animation piece.

July 17 - 21

D&D @ OC

Do you love Dungeons and Dragons? Or are you just curious about this iconic role playing game? Whether you're a brand new adventurer or a professional dungeon crawler, our Game Masters will guide you through a week of epic adventures! Become an elf wizard, a halfling rogue, or any number of other fantasy races and classes when you develop your character profile and dive into a world of fantasy. No experience needed, just enthusiasm and a desire to work together and overcome challenges. Ditch your device and adventure together - immerse yourself in a game of D&D!

July 24 - 28

Video Game Development

Video games are not just something to do for fun. You can take your passion for video games and turn it into an awesome career! Gain familiarity with computer programming, explore the stages of game development, and network with other like-minded young people all while creating your own games from scratch. See how the world of computer science can open the doors to your future!

July 31 - Aug. 4

Meddling with Metal

Have you ever thought about creating functional and beautiful metal projects? Well, this is your chance! After learning about safety with materials and tools, you will have the opportunity to create a number of small, take-home projects. In the trades shop, while guided by a professional, design, cut, form, assemble, and add final touches to your creations. Participants will learn to plan their projects, estimate how much metal they'd need, use precision tools, and ways to put their personality into their pieces. Projects are a progression of techniques and knowledge while also building up confidence and self-esteem. Be creative, make something original, use your imagination. Explore the fascinating world of trades, while leaving with some original pieces!
