Owner(s): _____

Civic Address: _____

Service Charge Stop Date (Cannot be backdated): _____

Service Charge Re-Start Date (Mandatory): _____

Please read and initial:

The City will turn the water off at the curb stop where possible. I will ensure the water shut off valve to the house is closed. The City is not responsible for any water leaks.

Initial

Charges resume automatically on the re-start date. To have the water turned back on, customers must call 250-550-3620 to request an appointment.

Initial

I accept the \$70.00 water service operator fee for each turn-off and turn-on of the water at the property.

Initial

The GVW Vacant Land Infrastructure Base Fee and meter renewal fee remain in effect.

Initial

If the property is sold during shut-off, the charges will resume as of the purchase date.

Initial

Temporary extension of service charges is not available for unmetered accounts. **A water meter and ERT must be installed and inspected.** No water use is allowed during shut-off.

Initial Any consumption on the water meter will backdate charges to the original stop date.
