

Master Plan Facility And Development Plan: Maximize Value Without Expansion

- ✓ Provide more hangar and tie down areas along Captain Bailey Way
- ✓ Rehabilitate, but do not extend the runway
- ✓ Construct Taxiway Echo and rehabilitate Taxiways Alpha and Bravo
- ✓ Construct a new apron (Apron 3) and rehabilitate existing aprons
- ✓ Provide more tie-down areas
- ✓ Construct a paved helipad
- ✓ Improve lighting and marking
- ✓ Upgrade the terminal building to a permanent structure
- ✓ Construct a new airport operational shop and vehicle storage building
- ✓ Improve perimeter security
- ✓ Develop an airport landscaping plan
- ✓ Develop a new Vernon Regional Airport brand and directional signage
- ✓ Incorporate design guidelines for new development into the Official Community Plan
- ✓ Explore the potential for employment lands north of the airport
