

PRE-QUALIFICATION REGISTRATION

2021-2022 Electrical Services

Invitation

The City of Vernon ("City") invites submissions from bonafide electrical Contractors with a minimum of three years of experience to be included on a pre-qualified contractor list for electrical service requirements.

The pre-qualification documents have been posted and are available for download at:

URL: <https://vernon.bonfirehub.ca/portal>

Click the link above or type the address into your browser to go to the portal; register as a Vendor and the documents will be accessible. It is recommended to download from a PC and ensure your firewall and virus security allows downloads.

Contractors responding to the pre-qualification request must consent to the City verifying the information provided on their submission. Contractor's not able to comply fully with the minimum WorkSafeBC Clearance Letter, Business Licence, Commercial General Liability Insurance and Vehicle Insurance requirements will *NOT* qualify for registration. **Copies of insurance certificates must be submitted with the Pre-Qualification Forms.** The Contractor must carry public liability insurance in the amount of:

- **\$2,000,000.00**

Including the following named as Additionally Insured:

- **City of Vernon**
- **Regional District of the North Okanagan**

The City reserves the right, at its sole discretion, to pre-qualify a limited number or to pre-qualify none of the contractors applying. Pricing as submitted is binding and will be evaluated by City staff. Should rates change it is the responsibility of the Contractor to re-submit for consideration.

Pre-Qualification Procedure

1. Contractor must have a minimum of **3** years of experience as a bonafide electrical contractor
2. Contractor must have a minimum of **1 Field Safety Representative (FSR) B Ticket** on staff
3. Submit all required documentation via Bonfire portal

4. The City will create a contractor call out list based the following considerations

- Rates
- Work Experience / References
- Availability & Equipment

5. Upon call the City Work & Services General Conditions will apply. Refer to:

https://www.vernon.ca/sites/default/files/docs/financial/work_service_general_conditions.pdf

Once hired, Contractor to supply all labour, equipment and machinery necessary to complete all works. All work shall be completed as agreed upon with the City designate. To ensure City of Vernon performance standards are met, the Contractor may be subject to a performance evaluation. If a situation develops where performance is not acceptable, a review on performance may warrant a suspension or termination. Contractor warrants it shall comply with all laws, rules and regulations applicable to the location of the Work, in particular, but without limitation, those concerning safety and WorkSafeBC.

Fuel Consumption Data

For Contracted Services over \$25,000.00 / year, the Climate Action Charter requires the City to track contracted emissions derived from fossil fuel consumption used to operate vehicles, equipment and machinery. Therefore, the City may require Contractors to provide the quantity of fuel used to operate vehicles, equipment and machinery as part of the delivery of the services described.
