

PRE-QUALIFICATION REGISTRATION

2021-2022 Environmental Consulting Services

Invitation:

The City of Vernon (“City”) invites submissions from bona fide environmental consulting firms with a minimum of three years of related experience to be included on a pre-qualified consultant list for environmental consulting services.

Professional environmental consulting services may include; site characterization for environmental assessment purposes, investigations and reporting, material sampling and testing services of air, soils and water, and other miscellaneous field services as required. Work will consist of both field time and documentation /report preparation.

Professional accreditation under respective disciplines (e.g. Registered Professional Biologist, Certified Environmental Auditor, ASCT) is recommended, and mandatory where required by regulation or law.

The pre-qualification documents have been posted and are available for download at:

URL: <https://vernon.bonfirehub.ca/portal>

Click the link above or type the address into your browser to go to the portal; register as a Vendor and the documents will be accessible. It is recommended to download from a PC and ensure your firewall and virus security allows downloads.

As per the City of Vernon’s Professional Services General Conditions, Contractors responding to the pre-qualification request must consent to the City verifying the information provided on their submission.

Full document can be viewed at:

https://www.vernon.ca/sites/default/files/docs/financial/prof_services_general_conditions.pdf
