

NOTICE OF INTENT TO AWARD PURCHASE ORDER

NOI#: 21-42-PW / CSA#: CS-001004

LED Street Luminaires

May 3, 2021

NOTICE

Notice is hereby given by the Corporation of the City of Vernon (“the City”) of its intent to award a purchase order to **E.B. Horsman and Son Ltd.** (the “Vendor”) for the provision of **Lumec LED Street Luminaires** under the B.C. Government’s Corporate Supply Arrangements (CSA) program.

The proposed purchase order will have a value of \$223,305.60.

The City did not call for Quotes for the following reasons:

- The City of Vernon is a Municipality in British Columbia (BC) and a participant in the B.C. Government’s Corporate Supply Arrangements (CSA)
- A Corporate Supply Arrangement is an agreement with a qualified supplier (or multiple suppliers) to sell specific goods or services at set prices. The Procurement Services Branch (PSB) issues and manages these CSAs to get the best value for provincial government and also allows the Broader Public Sector (BPS) to participate.
- Eligible organizations can buy directly from a supplier without having to run a competitive bid process because PSB has already done this work for the benefit of all. This results in quicker timelines, cost savings, and less paper work because prices and terms are already settled.
- RFP 20-30-PW – Street Light LED Retrofit project awarded last year to RealTerm Energy included the inventory, light design and manufacturer selection process for the LED Streetlight Conversion project. Through evaluation, Lumec RoadFocus LED Cobra Head Luminaires were chosen as the best solution for the project and are sold through E.B. Horsman and Son Ltd.

OBJECTIONS

Vendors wishing to object to this decision should submit via email the reasons for their objection to the Contact Person listed below, on or before the Closing Date. Vendors ability to offer the goods at a lower cost will be the key criteria with regard to the consideration of Vendor objections. City of Vernon decisions in this regard will be final.
