Any questions regarding the project are to be directed through the Procurement Portal – Bonfire in the Messages section: Opportunity Q & A. Note that any questions being submitted are only available for viewing by the City of Vernon. Should questions arise that result in answers that have a material value to the project, they will be issued via an addendum for all proponents to view.

Invitation:

This Request for Quotations (the “RFQ”) is an invitation by The Corporation of the City of Vernon (the “City”) to prospective respondents to submit non-binding quotations for the provision of **Concrete Sidewalks, Curbs and letdowns** as further described in the RFQ Particulars (**Appendix D**) (the “Deliverables”).

The City of Vernon is interested in working with a skilled concrete contractor to provide labour, materials and equipment required to supply, install and finish eight (8) or more concrete sidewalk projects in 2019 and provide similar services for future year’s projects.

The sidewalk projects will be grouped for efficiency in mobilizing equipment and may require machine extrude or hand formed concrete curbs and gutters and letdowns.

Vernon is the commercial hub of the North Okanagan and one of the most diversified communities in BC with a population of over 42,000. Continued growth and diversification of Vernon’s economy is important to meet the goals of the Official Community Plan which include maintaining and improving the Cities infrastructure.

The RFQ documents have been posted and are available for download at:
