Questions regarding the RFQ should be posted through Messages in the procurement portal (bonfire) and will be responded to as and Addenda. All Addenda's will be posted on Bonfire.

Invitation:

This Request for Quotations (the “RFQ”) is an invitation by The Corporation of the City of Vernon (the “City”) to prospective respondents to submit non-binding quotations for the provision of **Tandem Axel Hooklift & Crane Truck with Dump Box** as further described in the RFQ Particulars (**Appendix D**) (the deliverables”).

The City is seeking to procure One (1) Tandem Axle Hooklift & Crane truck with Dump Box. The unit will be used by the City of Vernon Utilities department for service and repair and will be maintained by the City of Vernon Fleet Services.

The unit will replace our 2001 International Model 2674 combination truck equipped with Stellar Hooklift, Amco Veba Crane, Compuspread hydraulic system, LangFab 13’ Dump box and a sander. The City is offering this unit for sale or as a trade-in option.

The City is not necessarily interested in obtaining the lowest price for this unit and will evaluate all new or demo units offered that are capable of all described functions. The City will also evaluate the proposal on its ability to meet the specifications identified in Appendix E; the proponents references, qualifications, experience, delivery, warranty and training programs; as well as value adds and proposals that support the City of Vernon’s efforts to reduce carbon footprint and greenhouse gas emissions.
