‘BE IT RESOLVED’ that the Board of Variance **approve** the application submitted by the owners of 901 Mission Road to allow an existing foundation to encroach onto the required side yard setback.

CARRIED.

**BOARD OF
VARIANCE
APPLICATION FOR
PROPERTY
LOCATED AT 4100
24th AVENUE
(BOV00064)**

Member Culham recused herself from discussing and voting on this application.

Adjacent neighbours to this property were notified 10 days prior to the Board of Variance hearing via Canada Post. One submission was received as follows and was circulated and discussed at the Board of Variance at the meeting:

- Email from owner of unit 110 – 4100 24th Avenue, received July 14, 2021.

The Chair called for input from the Applicant and Planning Department representative for BOV00064 – 4100 24th Avenue. The Planning Department representative reviewed the application.

Mr. Finstad, the representative for the Strata Corporation of 4100 24th Avenue, provided an overview of the proposal which is intended to improve the safety of the Strata owners and tenants. The Board members discussed topics such as hedge heights, lack of a security gate going into parking area, and the impact of a fence and sightlines and streetscape.

Members voted in support of the following:

'BE IT RESOLVED' that the Board of Variance **approve** the application submitted by the owners of 4001 24th Avenue to construct a 1.83m (6.0 ft) fence along the property line fronting 24th Avenue.

CARRIED.

**BOARD OF
VARIANCE
APPLICATION FOR
PROPERTY
LOCATED AT 3001
18th AVENUE
(BOV00065)**

Adjacent neighbours to this property were notified 10 days prior to the Board of Variance hearing via Canada Post. Zero submissions were received.

The Chair called for input from the Applicant and Planning Department representative for BOV00065 – 3001 18th Avenue. The Planning Department representative reviewed the application.

The Board members discussed the application and posed questions to the applicant. The applicant provided information related to the project and that a measurement mistake was made by them and the contractor. Upon discovery of the discrepancy, work was halted except for the work allowed to be finished based on direction from Building Official. The project still requires hydro and final inspections.

Moved by Member Cole, seconded by Member Nahal;

'BE IT RESOLVED' that the Board of Variance **approve** the application submitted by the owners of 3001 18th Avenue to relax the side yard setback requirements, to allow a previously constructed structure to remain in its current location.

CARRIED.
