Service Charge Extension Date: (Cannot be backdated) \_\_\_\_\_

Service Charge Re-Start Date: (Mandatory) \_\_\_\_\_

### Please read and initial:

I understand the Greater Vernon Water Vacant Land Infrastructure Base Fee and meter renewal fee will remain in effect. (Bylaw # 2768, 2018)

Initial

If the property is sold during the period that the water has been turned off, the service charges will start automatically as of the purchase date. The new property owner will be required to fill out a Temporary Extension of Service Charges Form if they want to have the service charges start date extended.

Initial

Temporary extension of service charges start date is not available for unmetered accounts. I understand that **a water meter must be installed and inspected** at the property, no consumption is to be used when services charges are temporarily extended. Any consumption on the water meter will start the service charges back to the original Service Charge Extension Date.
