### **Recreation Services asks public for menu input**

Vernon Recreation Services is asking the public for menu input for the new Creekside Energy Bar located in the Vernon Recreation Centre. A customer survey will assist staff in finalizing the food options and hours of operation for the Creekside Energy Bar as well as provide insights for the public's expectations for visitation frequency.

The Creekside Energy Bar customer survey takes fewer than five minutes to complete and can be accessed by visiting the Food Services page on the City website (<https://www.vernon.ca/parks-recreation/recreation-facilities/greater-vernon-recreation-complex/food-services>), or by visiting <https://www.surveymonkey.com/r/HZZ7XS3>.
