Creative Chaos coexists with Vernon Recreation Centre renovations

Creative Chaos will take place June 3-5 while renovations continue at the Vernon Recreation Centre.

Phase two of the renovation project at the Vernon Recreation Centre involves the back hallway and west entrance doors, and work will be ongoing during the event. Creative Chaos attendees will be able to access the facility on the west side through other entrances into the Dogwood Gym and the Auditorium. Attendees can also access vendor booths, the food court and the children's interactive craft area through the newly renovated front entrance and lobby.

"While all of the renovation work will not be completed prior to this year's Creative Chaos, we will be displaying some additional signage and attendees will be able to find their way to all of the fantastic vendors during the event", said Doug Ross, Director Recreation Services.
