### **Road update: 33 Street construction and paving**

The City of Vernon will be reconstructing and repaving 33 St between 30 Ave and 32 Ave beginning in mid-August, with completion expected to take approximately four weeks.

The reconstruction process will be between 30 Ave and 31 Ave, while the remaining portion will be repaved. Although every reasonable effort will be made to minimize the disruption to traffic, motorists should be prepared for minor delays. Traffic will be detoured from construction zones. Drivers are reminded to be patient, slow down and obey all traffic control.

Businesses are open during construction and appreciate your continued support.
