### **Vernon Recreation Centre reopens**

The Vernon Recreation Centre has reopened after being closed for five hours. The City closed the facility at 7:30 a.m. when there were signs of a blockage in the main septic line. City utility crews and recreation staff were able to determine the location of the blockage and remove the problem.

PREVIOUSLY: The Vernon Recreation Centre, including the pool and Halina Centre, is closed due to mechanical issues. The facility will remain closed until the issues are resolved. Staff anticipate the centre will be reopened later today. For up-to-date information, please visit [www.vernon.ca/parks-recreation](http://www.vernon.ca/parks-recreation).
