City of Vernon Play Fields closed

The City of Vernon has closed playfields to public use. James Rice, Manager, Public Works, notes that fields are saturated due to recent rain, snowmelt and late winter weather conditions. The fields are exceptionally soft and use for casual play and sport practice may damage turf conditions.

The City respectfully requests our playfield users to wait until conditions improve. City staff will monitor field conditions and advise the public when use is permitted. The City thanks our residents for their patience.
