City crews are responding to a small sink hole that appeared over the long weekend on 42 Avenue. Currently, 42 Avenue from 33 Street to Highway 97 is closed to while repairs are completed.

The sink hole is approximately 1.3m in diameter and 0.6m deep. The City barricaded the sink hole after it was reported on Saturday, April 15. Excavation around the sink hole will be completed today to determine what caused the failure. The City expects the road will be repaired and reopened to traffic by the end of the week.
