Vernon residents have two more weeks to provide feedback is on the [2018 Vernon Budget](#). The online budget exercise lets participants indicate whether they would increase, decrease or maintain proposed budgets for key City services. The 2018 Vernon Budget survey is open from May 1 – 31, and the results will be presented to Council for their consideration prior to the Budget Workshop and Strategic Planning Review on June 9.

The City launched a new public participation website ([www.vernon.ca/engage](http://www.vernon.ca/engage)) on May 1 to encourage Vernon residents to provide input on key City projects and programs. This feedback will be considered by Vernon City Council as part of their decision-making process.
