Road update: 30 Street

Construction on 30 Street from 30 Avenue to 34 Avenue will be starting the week of June 26 and continuing until late October. The project continues as part of the City's investment in the infrastructure, helping make Vernon a great place to live and work. The project includes road reconstruction, new multi-use path, new street lights and replacement of water, storm and sanitary sewer.

30 Street will be closed in several phases starting from north of 30 Avenue to 32 Avenue until late August. All businesses in the area will remain open and can be easily accessed. Detour routes will be modified as construction progresses to 34 Avenue.

Residents are encouraged to continue supporting local businesses.
