---

### **Road update: 30 Street**

Construction on 30 Street will continue between 32 Avenue and 34 Avenue beginning the week of September 5 and continuing until late October.

The project is part of the City's investment in Vernon's infrastructure and includes road reconstruction, a new multi-use path, new street lights and replacement of water, storm and sanitary sewer.

All businesses in the area will remain open and can be easily accessed. Detour routes will be modified as construction progresses.
