### **Vernon Regional Transit Service Suspension: 4:45PM**

Vernon Regional Transit Service has been temporarily suspended on several routes until further notice due to severe weather conditions.

Service will resume once conditions improve. Please note that due to changing weather conditions, the status of all routes may change throughout the afternoon and evening.

We apologize for the inconvenience, and encourage customers to visit [BCTransit.com/Vernon](http://BCTransit.com/Vernon) or BC Transit's social media feeds for updates.

Furthermore, tonight's Christmas Light Bus Tour has been cancelled and will be rescheduled for Thursday night if conditions improve. Ticket refunds will be available in person at the BC Transit building office at 2400-24th Street during business hours. Sorry for the inconvenience.
