### Road Update: Kalamalka Lake Road Construction Starts Monday

Construction will take place on Kalamalka Lake Road, from Browne Road to the Alpine Centre, from March 26 to July 13, 2018. Expect traffic disruptions and detours during this time.

There will be a **full road closure** on Kalamalka Lake Road from Browne Road to the Alpine Centre between April 9 and July 6, 2018 (13 weeks), 24 hours/day. **Single-lane alternating traffic** will also occur, as required, from April 3 to April 9; and from July 6 to July 13, 2018.

Vehicle access will only be permitted to residences within the fully-closed portion of Kalamalka Lake Road. As no through traffic will be permitted, all traffic will be required to use the detour routes (see map). A 1.5 m wide walking/cycling path will be provided throughout construction.

Businesses will be open and accessible on both sides of the road closure, so please continue to support our local businesses during construction.

LB Chapman Construction is the contractor that will be performing the work.
