Road update: Pottery Road Rehabilitation Work

The City of Vernon has commenced water main replacement and road rehabilitation construction on Pottery Road from 15 Street east to the city boundary with construction anticipated to take approximately 7 weeks to complete.

Pottery Road is closed from 15th Street to Francis Road with access limited to local residents. Traffic control will be on site to inform residents of access routes during construction.

We ask that the traveling public be patient, slow down and obey all traffic control.
