Temporary Road Closure and Transit Detours – Tronson Road and Lakeshore Road

Temporary road closures will be in effect on September 9, 2018, for the Annual Paradigm Naturopathic Kids Triathlon as follows:

- Tronson Road will be closed from Kin Beach to Scott Road (West) from 7:45 am to 12:00 pm;
- Tronson Road will be closed from Bella Vista Road to Kin Beach from 7:45 am to 10:00 am;
- Tronson Road will be closed from Scott Road (West) to Scott Road (East) from 7:45 am to 10:00 am;
- Lakeshore Road will be closed to through traffic from the "bridge" (just north of Cummins Road) to Tronson Road from 7:45 am to 12:00 pm. Single-lane alternating traffic would be available for residential access.

Traffic control will be on site to inform residents of access routes during the closure. We ask that the traveling public be patient, slow down and obey all traffic control.

Vernon Regional Transit routes 7 and 8 will be rerouted during the closure. Route 7 will be rerouted along Cummings Road. Route 8 will be rerouted along Lakeridge Drive and will return to downtown Vernon via Bella Vista Road. Route 8 will not serve Okanagan Landing Road during the closure. Transit users are encouraged to visit www.bctransit.com/Vernon for up to date transit information.
