### **Fire ban lifted in the City of Vernon**

Campfires that comply with the City of Vernon Good Neighbour and the Fire Services Bylaws are once again allowed within the City of Vernon.

The campfire ban has been lifted as recent rain and cooler temperatures have reduced the wildfire risk for the region.

“Please continue to use care and caution if enjoying a campfire,” said Dave Lind, Fire Chief for the City of Vernon. “It’s is a requirement that fires not be left unattended and that they are fully extinguished.”
