Supporting your local events = more events!

The City of Vernon is wrapping up a successful Chamber of Commerce Spring Expo—the first non-ice event at the new Kal Tire Place North arena—and the City is looking ahead to increase the number of events in this facility.

Kal Tire Place will be welcoming the FMX (Freestyle Motocross) World Tour to Vernon on June 2, 2019. This is an exciting event featuring Canadian and international world-class motocross racers.

In order for events to be successful and for promoters to continue choosing Vernon as a preferred event site, it is important for fans and those interested in an event or sport to buy tickets early, attend shows, tournaments, events and games. The support of ticket buyers and spectators is an important aspect of attracting events to town.

The City also asks that you continue to support the wide variety events already scheduled to take place at Kal Tire Place. Currently underway are the Vernon Vipers Playoffs and the Midget Tier 2 provincials. The next four months will bring events such as:

- The return of a Senior Lacrosse games
- Vernon Junior Tiger Lacrosse games
- North Okanagan Minor Lacrosse games
- North Okanagan Minor Lacrosse “Rock the House” tournament
- The VSS, Seaton and Fulton Secondary graduations
- The Okanagan Mascot games
- The British Car Club
- The Corvette Club
- The Southern Interior Karting Association, and
- The Okanagan Military Tattoo.

On ice we will be hosting

- The Ministry of Forests Tournament
- The Village Green Tournament
- The Nk'Mapliq Challenge Cup Tournament
- The Kal Tire Tournament
- The Cherryville 50+ Tournament.

The City of Vernon thanks everyone for their continued support for all these great events and encourages everyone to support upcoming events. Try something new! You might just become a lifelong fan.
