### **Water main break on Okanagan Avenue**

Due to a water main break in the 4100 block of Okanagan Avenue, there is a temporary water outage for homes in the immediate area.

Crews are currently on site making repairs. Every effort is being made to have water available as soon as possible.

Repairs to the asphalt in the same block will be required, which will begin tomorrow (November 20) and are expected to be completed by the end of the week. Traffic detours will be in place and the City asks motorists to please follow all signage and plan for possible travel delays in the Okanagan Avenue area.

The City apologizes for any inconvenience this disruption may cause and appreciates your cooperation to ensure the timely completion of this project.
