Alexis Park Drive road repairs to take place this week

Motorists driving down Alexis Park Drive may experience minor travel delays over the next couple days, as repairs are made along sections of the southbound lane.

Starting tomorrow (Friday), contractors will begin road repairs between the 3000 and 3100 blocks, as well as the 4000 to 4200 blocks of Alexis Park Drive.

The work is expected to be completed the following day, and work will take place between 8:00 a.m. and 4:00 p.m. both days.

During construction, lane closures will be required and traffic controls will be in place. If you are traveling through the area, please slow down and obey all traffic control personnel and signage.

The City of Vernon appreciates everyone's patience and understanding as this work is being completed.
