Temporary water outage for residences on Commonage Place due to water main break

The City of Vernon would like to advise the public that crews are responding to a water main break on an easement in the 1400 block of Mission Road.

Water service has been interrupted for approximately 20 residential properties on Commonage Place. Crews anticipate the repairs will take approximately 4-5 hours to complete.

The City will provide more information as it becomes available and apologizes for any inconvenience this may cause. We appreciate the public's patience as repairs are made to the site.

A map of the water service interruption area is available below.
