## Detour for Silver Star Road scheduled for Thursday

Motorists travelling south on Silver Star Road will want to be aware of a one-day detour scheduled for Thursday, January 28, while crews conduct hydro vac work in the area. The detour may increase travel times for residents and visitors.

Southbound traffic will be detoured on to East Dedecker Road and then on to L&A Road while the work is being completed. Northbound traffic will not be impacted.

Crews will be in the area between 7:00 a.m. and 4:30 p.m. that day. Please note, these timelines may change if emergencies arise. Every effort will be made to minimize disruptions. The City apologizes for any inconvenience this detour may cause, and appreciates everyone's patience while the work is being completed.

*A map of the work area and detour is available below.*
