Water main break being repaired on 43rd Street

The City of Vernon would like to advise the public that utility crews are repairing a water main break that has occurred in the 1900 block of 43rd Street.

Water service has been interrupted for approximately 15 properties in the area. Crews anticipate the repairs will take 3-4 hours to complete.

The City apologizes for any inconvenience this interruption may cause and appreciates the public's patience as repairs are made to the site.

A map of the water main break area is available below.
