Temporary traffic change on Silver Star Rd this week

Please be advised, there will be single lane alternating traffic in the 6200 block of Silver Star Road starting Thursday, April 15 at 7:30 a.m. for the installation of a water service. The work is expected to take one to two days to complete. However, the timeline may change if emergencies arise.

Traffic control personnel will be on site to guide motorists through the area and every effort will be made to minimize disruptions. Some travel delays should be expected.

The City apologizes for any inconvenience this disruption may cause and appreciates everyone's patience while the work is being completed.

A map of the work area is available below.
