Temporary detour for utility renewal project along 18th Street and 27 Crescent

The City would like to advise the public that a temporary road closure and detour will be required on a portion of 27 Crescent and 18th Street, for a sanitary sewer main renewal project.

Starting at 7:30 a.m. on Monday, May 10, the area will be accessible to local traffic only. The utility work is expected to be completed by Tuesday, May 18. Please note, these timelines may change if emergencies arise.

Some delays should be expected for motorists in the area. Every effort will be made to minimize disruptions. The City apologizes for any inconvenience this disruption may cause and appreciates everyone's patience while the work is being completed.

A map of the work area and detour is available below.
