Partial road closure on portion of Pleasant Valley Rd this week

The City would like to advise the public that a partial road closure will be required on a portion of Pleasant Valley Road this week, for the installation of a water service.

Starting at 7:30 a.m. on Thursday, May 20, the southbound lane of Pleasant Valley Road will be closed to through traffic between Rimer Road and Silver Star Road. The northbound lane will remain accessible and a detour will be in place for southbound traffic. The work is expected to be complete by 4:30 p.m. on May 21.

Please note, these timelines may change if emergencies arise.

Some delays should be expected for motorists in the area, however, every effort will be made to minimize disruptions. The City apologizes for any inconvenience that this disruption may cause and appreciates everyone's patience while the work is being completed.

A map of the work area and detour is available below.
