## Temporary detour for Silver Star Rd begins tomorrow

Motorists travelling west on Silver Star Rd will want to be aware of a temporary detour Wednesday and Thursday this week, while crews install and upgrade underground utilities in the 5100-block of Silver Star Road. The detour may increase travel times for residents and visitors.

Westbound traffic will be detoured on to Cunningham Road and then to MacDonald Road while the work is being completed. Eastbound traffic will not be impacted.

Crews will be in the area between 7:30 a.m. and 4:30 p.m. each day. Please note, these timelines may change if emergencies arise. Every effort will be made to minimize disruptions. The City apologizes for any inconvenience this detour may cause, and appreciates everyone's patience while the work is being completed.

*A map of the work area and detour is available below.*
