Detour for portion of 32nd Ave this week

The City would like to advise motorists that a detour will be required for a portion of 32nd Avenue this week for the installation of a storm service.

On Thursday, September 16, 32nd Avenue will be accessible to local traffic only between 26th Street and 27th Street. The work will begin at 7:30 a.m. and is expected to be completed the same day. Please note, these timelines may change if emergencies arise.

Some delays should be expected for motorists in the area. Every effort will be made to minimize disruptions.

The City appreciates everyone's patience while this project is being completed.

A map of the work area and detour is available below.
