Tronson Road boat launch to be closed temporarily for adjacent construction

The City would like to advise residents that the boat launch at 8130 Tronson Road will be closed temporarily from October 4 to November 17, 2021. The closure is necessary to facilitate the construction of an adjacent project.

Those looking to access Okanagan Lake will still be able to use the boat launch at Paddlewheel Park (7815 Okanagan Landing Road).

The construction project involves shoreline restoration measures to protect Tronson Road from erosion. This includes rip-rap, gabion baskets, native plantings, and a seating area with benches, fencing, bike racks, and a garbage receptacle.

The City appreciates everyone's patience and understanding while this project is completed. For more information on this and other Capital projects in Vernon, please visit www.vernon.ca/capitalworks.
