Minor traffic disruptions for sections of Bella Vista Road this week

The City would like to advise motorists that single lane alternating traffic will be in place at two locations on Bella Vista Road this week. The temporary traffic changes are required while crews locate existing utilities at Crosby Road and Appaloosa Way, and will happen at various times throughout the week.

The majority of work will take place off Bella Vista Road; however, intermittent single lane alternating traffic will be in place while excavation work takes place. Minor travel delays should be expected. Every effort will be made to minimize disruptions.

The City appreciates everyone's patience while this project is being completed.
