### Recreation Complex access to change for construction of new facility

The City of Vernon would like to advise the public that access to the Recreation Complex will be changed slightly for the construction of a new facility on the south end of the property.

The drive way on 35<sup>th</sup> Avenue (near 33<sup>rd</sup> Street) will be closed to vehicle traffic as of Friday, October 15, for the construction of a child care centre. The drive way will later become a pedestrian and cycle path and will be available when the facility opens.

Access to the main entrance of the Vernon Recreation Centre remains available via 33<sup>rd</sup> Street. A map of the closure (indicated in orange) is available below.
