### **Water main break being repaired on Alexis Park Drive**

City crews are repairing a water main break on the Alexis Park Drive between 35<sup>th</sup> and 36<sup>th</sup> Avenues. Due to the break, water service has been interrupted for approximately 40 properties.

Traffic on Alexis Park Drive has been reduced to a single lane in each direction as crews work on site. Motorists are asked to slow down and obey traffic control measures as they move through the area.

Repairs are anticipated to be complete within the next four hours. The City thanks everyone for their patience as this emergency work is conducted.
