Minor traffic disruptions in downtown core this week due to sewer line inspections

Motorists may experience minor traffic disruptions if they're traveling through the downtown core this week, as crews inspect sewer lines. For the safety of workers and the public, single lane closures will be in place where crews are actively working.

The inspections will be taking place between 24th Street and 35th Street, from 25th Avenue to 48th Avenue. The work will be conducted between 7:00 a.m. and 7:00 p.m. daily.

Every effort will be made to minimize disruptions, but minor delays should be expected. The City appreciates everyone's patience while this project is being completed.
