New sewer pipe installation project for Tronson Road begins March 7

The installation of a new sewer pipe along Tronson Road will require a road closure and detour for the next two months.

Starting Monday, March 7, Tronson Road will be closed to through traffic between Lakeshore Road and Okanagan Landing Road. Traffic will be detoured via Lakeshore Road. However, local traffic will still be able to access residences and businesses in the area.

For the safety of workers and public, please obey traffic control signage and directions from traffic control personnel. Every effort will be made to minimize disruptions but minor travel delays should be expected. The City appreciates everyone's patience while this project is being completed.

Below is a map of the road closure area.
