Lakers Clubhouse parking lot will be temporarily closed for construction

The City would like to advise the public that the parking lot at Lakers Clubhouse will be closed for two days next week, while crews connect utilities for the child care facility that is being constructed nearby.

The parking lot will be closed to the public on Monday, April 4 and Tuesday, April 5.

Access to the dog park at Marshall Field and the Lakers disc golf course will still be available; however, users of these spaces are encouraged to use the parking lot near Marshall Fields for the above noted days.

The City appreciates everyone's patience and understanding as this work is being completed.

The new child care facility at the Lakers site is anticipated to be open by September 2022.
