Traffic disruption for portion of 27th Street this week

Motorists travelling along 27th Street this week may experience slight traffic delays as crews repair a storm main.

Starting as early as 7:30 a.m. on Friday, June 3, crews will be working on 27th Street between 37th and 38th Avenues. Traffic will be reduced to single lane traffic in both directions during construction. The work is anticipated to be completed by 4:30 p.m. that same day. Please note, this timeline may change if emergencies arise.

Some delays should be expected for motorists in the area; however, every effort will be made to minimize disruptions. Please remember to watch for construction workers, slow down in work zones, and follow all traffic control measures. The City appreciates everyone's patience while this project is being completed.

A map of the work area and detour is available below.
