Vernon sports fields and ball diamonds closed due to conditions

Due to the current weather conditions, City-owned grass sports fields (including baseball diamonds) are closed temporarily, effective immediately. The closure includes all sports play and public activities on the following fields:

- DND Park
- Grahame Park
- Lakeview Park
- Marshall Fields Park
- Polson Park
- MacDonald Park

Due to prolonged rain over the last few days and this morning, the ground has become saturated and use of these spaces could cause damage to the turf.

Recreation Services will be contacting user groups directly to notify them of the temporary closure. All sports fields and baseball diamonds are expected to reopen for use on Friday morning (June 17).

The City appreciates everyone's understanding and thanks the public for staying off the playing fields today.
