Road re-paving for portion of 25th Avenue next week

Motorists travelling along 25th Avenue next week may experience minor travel delays, while crews re-pave the road.

Starting as early as Monday, July 11, crews will be re-paving a portion of 25th Avenue between 43rd Street and 27th Avenue. Two lane traffic will be maintained; however, motorists should expect short delays. The work is expected to be complete by the end of Friday, July 15.

Motorists are encouraged to avoid the area if possible and consider taking alternative routes. They're also reminded to slow down and be courteous to other residents and workers in construction zones. Please obey all traffic control measures.

Travel delays should be expected; however, every effort will be made to minimize disruptions. The City thanks everyone for their patience and understanding while this work is being completed.

A map of the work area is available below.
