## Temporary laneway closure between Mission Road and 35<sup>th</sup> Street

A laneway between Mission Road and 35<sup>th</sup> Street will be closed for several days while crews complete upgrades to sanitary infrastructure in the area. The lane is located behind homes in the 3400-blocks of 20<sup>th</sup> and 21<sup>st</sup> Avenues.

Starting at 7:30 a.m. on Thursday, October 27, the laneway will be closed to everyone but local traffic. The work is expected to be completed by November 10. Please note, this timeline may change if emergencies arise.

Some travel delays should be expected for motorists in the area; however, every effort will be made to minimize disruptions. The City appreciates everyone's patience while this project is being completed.

*A map of the work area and lane closure is available below.*
