Detour for portion of Silver Star Road scheduled for Thursday

A detour will be required for a portion of Silver Star Road this week while crews complete upgrades to water infrastructure in the area.

Starting at 7:30 a.m. on Thursday, October 27, traffic in the westbound lane of Silver Star Road will be detoured along Cunningham Road and MacDonald Road. The work is expected to be done the same day by 5:00 p.m.

Eastbound traffic should not be impacted; however, motorists are reminded to slow down in construction and detour zones and to be prepared for possible travel delays. Every effort will be made to minimize disruptions. The City appreciates everyone's patience while this project is being completed.

A map of the work area and detour is available below.
