## Traffic disruption for portion of 48<sup>th</sup> Avenue next week

Motorists travelling along 48<sup>th</sup> Avenue next week may experience minor delays, as crews upgrade storm infrastructure in the area.

Construction on storm drainage will take place between **6:00 a.m. and 3:30 p.m. on Sunday, April 2**, and **4:00 p.m. and 12:30 a.m. Monday, April 3 to Friday, April 7**.

The work is anticipated to be completed by Friday, April 7. Please note, these timelines may change if emergencies arise.

Single-lane traffic will be maintained in both directions along 48<sup>th</sup> Avenue between 20<sup>th</sup> Street and Pleasant Valley Road during construction hours. Some delays should be expected for motorists; however, every effort will be made to minimize disruptions.

Motorists are reminded to watch for construction workers, slow down in construction zones and obey all traffic control measures. The City appreciates everyone's patience while this project is being completed.

*A map of the work area and detour is available below.*
